American Water Works Association Committees selected ...

An active member of AWWA for 40 years, Dave Fox was recently appointed through presidential privilege to the Committee on Diversity and Member Involvement. Along with 11 other members from around the world, Mr. Fox will work to ensure equality and representation at all levels of the organization. His counterparts on the committee include:

Chair, Mr. Nilaksh J. Kothari, General Manager of the Manitowoc Public Utilities in Manitowoc, Wisconsin; Mr. William Brinker, Senior Vice President at HDR Engineering in Sioux Falls, South Dakota; Ms. Jeanne-Marie Bruno, General Manager of the Park Water Company in Downey, California; Ms. Donna Campbell Brice, Assistant to the Director of the Kansas City Water Services Department; Ms. Madeline F. Goddard, Water Services Superintendent for the City of Phoenix; Ms. Bari Joslyn, Vice President of the Northern Kentucky Water District; Ms. Andrea Maldonado, Supervisor, Customer Relations for the Regional Water Authority of New Haven, Connecticut; Ms. Annette Redding-Pope, Assistant Commissioner of the Cleveland Ohio Water Department; Mr. Mitchell Rivers of Benbrook, Texas; Mrs. Kathleen Stephens-Bryant, Sr. Administrative Specialist for the Greater Cincinnati Water Works; and Ms. Susan Uyesugi, Civil Engineer for the Honolulu Board of Water Supply.

Dave Fox has held every office at the state level of AWWA. He has also been active at the international level as the representative from Iowa on the International Board of Directors from 2003 to 2006. Mr. Fox has also served on numerous committees including his term as the Subcommittee Chair for the Collaborative and Independent Projects Subcommittee of the Program Committee for Water for People. As a part of the Iowa Section of AWWA, Mr. Fox has also served as the State Chair for Water for People.
