

**“Pie in the Eye” Fundraiser
Boone County Sanitary Landfill
Boone, Iowa**

When one of their long time employees passed away from leukemia in 2004 Scott Smith, Boone County SLF Administrator, came up with the idea of throwing pies to raise money for the American Cancer Society-Relay for Life. He was the willing recipient and as you can see by the pictures some of our employees had a little fun with it, too. You’re a good sport Scott!
